The screenshot displays the Skai Campaign Management interface for the 'Ergotron - AMZN' profile. The main view is a table of campaigns. The interface includes a search bar, navigation tabs, and a sidebar with various tool icons. The table columns include Campaign Name, Campaign Status, Scheduled, Pending Up, Daily Budget, Top of Search, Product Pages, and Campaign Type. One campaign is selected, indicated by a blue checkmark in the first column.

Our ask from the retailers

- ① **The right data** at the right cadence, with some level of consistency.
- ② **An API-first approach** that has been built to stand the test of time.
- ③ **Clarity about how to translate KPIs** and get comfortable with us sharing it!

Thank you!
